

January 2010

Membership at Longniddry Golf Club

We have an open waiting list and are pleased to accept applications for membership. Should you wish to pursue membership, an application form should be downloaded from our website and returned for the attention of the General Manager. You will note from the form that in the event that you cannot provide two sponsors for your application, you may elect to provide a letter from an existing (or recent past) club, or you may attend a brief and informal interview with me and one of the directors.

On receipt of the application, it is posted on the Club notice board for 2 weeks and subject to the application/s not receiving any adverse comments from members an offer of membership will normally be issued, subject to the Directors giving approval.

At this time, we have a few vacancies for full membership and the annual subscription effective from 1st February 2010 is £622 plus £3 for golfers' insurance, £9 for the Levy to the Scottish Golf Union/Lothians Golf Association (£14 for Ladies), and £25 which goes on a membership card to be spent at the bar or on catering, making £659 or £664 in total.

We also have vacancies for 5-day membership and the annual subscription for that category is £497 plus the costs mentioned above. With 5-day membership there is 7-day access to the Clubhouse and there are a number of fun weekend competitions which are open to 5 day members.

For both full and 5 day membership, the annual subscription would be discounted pro-rata if you join more than half way through the subscription year.

For full membership, there's a joining fee of £800 which most new members pay over two subscription years but the cost can be spread over 4 years at no extra cost.

We trust this information is helpful but if you have any other questions please contact me. You may obtain further information on our website – www.longniddrygolfclub.co.uk
